Additional comments or suggestions. We heard so many of our guest state that you were one of the best DJ they had experienced, including my father who is hard to please! The volume was not too loud, so our guest could have conversations without having to yell over the music. The dinner select was fabulous. Many of the older crowd loved the jazz and Glen Miller selections. We have one more daughter left to marry off and Matthew, she wants you to be the DJ. Thanks again for the outstanding service you provided for us!
